**North SEERA Body Contact Clinic**  
**August 21, 2010**

North SEERA is pleased to announce that we will again be offering, a body contact/checking camp for ALL its' peewee aged players this summer. It is a newly formatted clinic that will be an important opportunity for our peewee players' to prepare, refresh and develop their skills at contact. We want them to be successful and SAFE playing hockey.

We are fortunate to have a very qualified instructor come and instruct our program this fall. There will be two sessions, both offered on Saturday, August 21, 2010. If any changes are made the registrants will be notified by August 16<sup>th</sup>, 2010.

This is a great opportunity and will be a very comprehensive program to help these young players become comfortable with the contact component introduced at peewee. As it will operate differently than last year we strongly encourage all 2<sup>nd</sup> year peewees to attend as well, to help set all these players up for a great hockey season they can enjoy.

We request that you fill out the form below and return it, so that your spot and the ice time schedule can be finalized. Any questions regarding the school can be directed to Todd at 780-485-8709 or Nadine @ 780-463-5736.
