

**NORTH SEERA ASSIGNED BINGO LIST
2009 – 2010 SEASON
Parkway Bingo - 8775 – 51 Avenue**

There are only 2 types of bingo shifts: E = 4:45- 10:00 p.m., L=4:45- 12:00

In addition to the required workers, each team must also supply one back-up worker in the event one of their workers does not show up. This back-up worker **MUST** be reachable the day of the bingo (around 5:00 p.m.) in case they need to come to the bingo as a replacement. Failure to provide the required number of workers for a bingo will result in the team being fined \$150. This amount will be withdrawn from the team account automatically (this is why there is a \$150 participation cheque given by each family, the team would then cash the \$150 of the family who did not show up at the bingo and deposit it into their team account.
