Note: **Home is white background with navy letters for the white jerseys**
Visitors is navy background with white letters for the navy jerseys

Please avoid using any sort of stick on glue substance for attaching the name bars. This will leave a stain and makes the jersey very messy. A nice easy stitch pattern so it is easy to remove at the end of the year with minimal damage to the jerseys, would be greatly appreciated. For anyone not interested in sewing the name bars, Karen Svendsen will do the necessary sewing for $5 per name bar. She can be reached at 468-9281.

Cost is $7.50 per name bar
